

Studio Desk bed

The Studio Desk is a great option that may be added to most of our Studio Series Murphy Beds. The Studio Desk allows you to leave items on your desk top while lowering your Wallbed. The desk surface remains parallel with the floor during the entire lifting and lowering process.

Specialty Series

The Specialty Series of Wallbeds are sure to bring the "Wow" factor to your living space. This series include functional book shelves and desks that turn into beds, a bunk bed option, and even a Murphy style bed that goes over a couch to preserve valuable seating space. This collection clearly encapsulates the "Cool Factor".

Bunk Wallbeds

Murphy style bunk beds are a great solution for kids rooms, fire stations, cabins, lodges and dormitories. These beds will maximize your space with the highest quality craftsmanship available on the market today.

Bookcase Wallbed

This specialty bed provides the convenience of a Murphy Bed and the storage of an integral bookcase in one unit. Your friends will be amazed when you open this beautiful bookcase to reveal a comfortable sleep space. This one is sure to impress.

Murphy Desk Bed

The Murphy Desk Bed is what happens when necessity, utility and design meet engineering. This beautifully functional bed is the solution to so many of today's modern space constraints. There is no need to remove items from the desk to transition the Murphy Desk Bed to the sleep position.

Sofa Wallbed

The Sofa Murphy Bed is just one more way Wilding Wallbeds has married both space saving with functionality. The Sofa Murphy Bed solution allows the use of a Murphy Bed in a living room or entertainment room without compromising valuable space for seating.
